## Announcement about Participating 2017 Super-Taikyu Race series

February 17, 2017

BRP announces about participating 2017 Super-Taikyu Race series. BRP started participating Super-Taikyu race series in 2011. Until 2016, BRP have won the series four times.

This year, BRP participates the ST-R Class of the series with a world standard racing touring car, Audi RS3 LMS.

BRP is supported by Audi Japan and participates the race series as an Audi customer racing team with Audi Sport colored Audi RS3 LMS. The car number is 19.

A (First) Driver is Kouichi Okumura, who is the owner of BRP. B (Second) Driver is Kei Akiyoshi, who is the rookie of the team. This year is the first year for Kei Akiyoshi to participate the Super-Taikyu race series, but he has high ability and possibility for the future.

### Entry name : **BRP Audi Sport RS3 LMS**

A Driver **Kouichi Okumura**

B Driver **Kei Akiyoshi**

C Driver **TBN**

D Driver **TBN**

2017 is the seventh year for BRP Super-Taikyu Project and we start a new challenge. We appreciate for supporting from every sponsor, all supporters and fans around the world. BRP will keep our foot down in new environment.
